

ASIAN WOMEN LEADERSHIP NETWORK
Fulfilling potential and advancing leaders.

At the **Working Mother Multicultural Women's National Conference**, powerful voices are brought together from multicultural women, who engage in courageous conversations exploring intersections of race, gender, and culture in the workplace. Asian women convening at the conference were inspired to form **Asian Women Leadership Network (AWLN)**, a 501(c) (3) nonprofit in 2004. AWLN is once again invited as a supporting organization for the 2018 conference on **July 12-13, 2018** at the New York Marriott Marquis in New York City.

2018 Theme: True To You
